Michael's latest CD, "**Michael Monroe LIVE At The Cedar**" was recorded from his 12/6/08 Cedar Cultural Center Concert in Minneapolis. It has captured Michael's spirit in a way like no other recording until now...**Noah Hoehn**, is featured on his *beyond amazing harmonica*, Michael sings Cat Steven's **Moonshadow** and a WTIP radio performance by **Michael Johnson** (of "Bluer Than Blue" #1 hit fame) and Michael Monroe as a bonus track. *Let's celebrate!*
